Tire-bouchon électrique

## 01 Tire-bouchon électrique

Suitable for all standard size wine bottles, the WOP660 corkscrew allows you to open your bottles in a few seconds and without any effort.

Equipped with two control buttons, the device allows the automatic removal of the cork from your bottle but also the release of the cork. The opening procedure is done cleanly and discreetly, without leaving any cork residue, even on the most damaged ones.

Rechargeable in just 30 minutes, it is supplied with a USB cable and has a cap cutter to precisely remove the aluminium film covering the cork. LED indicators display when the unit is in use or charging.

With its sleek stainless steel design, you can bring a modern touch to your table. The WOP660 electric corkscrew is an essential tool for opening bottles with finesse and elegance.
