ADJUSTABLE LED CIRCULAR LUMINAIRES

REMOTE CONTROL INSTRUCTIONS

CE

- Install 2 x AAA batteries (Not supplied) into the remote control.
- On & Off buttons turn the fitting on and Off.
- K- & K+ buttons allow you to adjust the colour temperature to your liking.
- The \* & \* buttons adjust the level of brightness (dimming function).
- The ⊙ button changes the colour temperature from warm to cool to a mix of both.
- The ⊙ button puts the light fitting into "Nightlight" mode.
- Channel "B" & "C" buttons can be used for controlling additional LED circular light fittings and each channel and light fitting would have to be "paired" as below.

Note: The Light Fitting & the Remote Control have been paired "A channel" at the factory. If the remote control is not working you may need to action the following pairing process.

- With the light fitting switched Off, long press Channel "A" on the remote control and wait for the LED on the remote control to remain a constant RED.
- With the Channel "A" button still pressed down switch on the light fitting. It should initially blink which indicates that the light fitting has been successfully paired.

### Specification
