

FULL DISPLAY AESTHETICS

INFINITE WONDERFUL

SUPER EGG

Artistic innovation

Maverick

After a comprehensive re-conception

It has brought many exquisite designs

Reflecting the persistent pursuit of artistic sense

**reddot award 2022
winner**

PURE EGG SHAPE

Reinterpreting the shape of the toilet, abandoning the redundant edges and corners, it is like a natural artwork.

IMPRESSED AGAIN

Guided by fun, insist on innovative ideas to design products, like a technology wizard, decorate the home space with agility.

SO WONDERFUL

Brilliant design, direct visual sense,
natural/free experience.

INDEPENDENT WATER TANK
NO WATER TAND RESTRICTIONS

No water pressure limit

Hidden water tank

AUTOMATICALLY OPEN THE COVER

The whole process of induction, the human body is close to the automatic opening of the cover, after use, leave the toilet, automatically flush and automatically close the cover.

Automatic flip

Automatic lid closing
and flushing

Foot touch flush
and flushing

Instant hot water,

Just right for warm cleaning

In response to the diverse needs of the family, the user-friendly multi-dimensional cleaning and arc-shaped spray booms are used to feel intimate and comfortable.

4 - Speed warm air drying

Dry with warm air, as comfortable as a spring breeze, after washing with warm water, warm air blows comfortably and cares.

Room	≈45°C	≈50°C	≈55°C
