

12.1
R2 | 2in1

DE
Diese Aufbauanleitung wurde von uns selbst erstellt. Es handelt sich dabei um eine **Aufbauempfehlung**. Ersuchen Sie unbedingt einen Fachmann, welcher Ihnen Ihre Montage und sonstige Details nachweislich bestätigt/abnimmt! Wir empfehlen den Au/bau durch einen Fachmann, welcher Ihnen eine Rechnung ausstellt - damit Sie eine Garantie auf Dichtigkeit etc. erhalten. Wasserschaden oder Verletzungen werden somit vermieden - nur so sichern Sie sich ab. Wir haften nicht für Ihren Au/bau, jedoch stehen wir Ihnen für weitere Rückfragen gerne zur Verfügung.

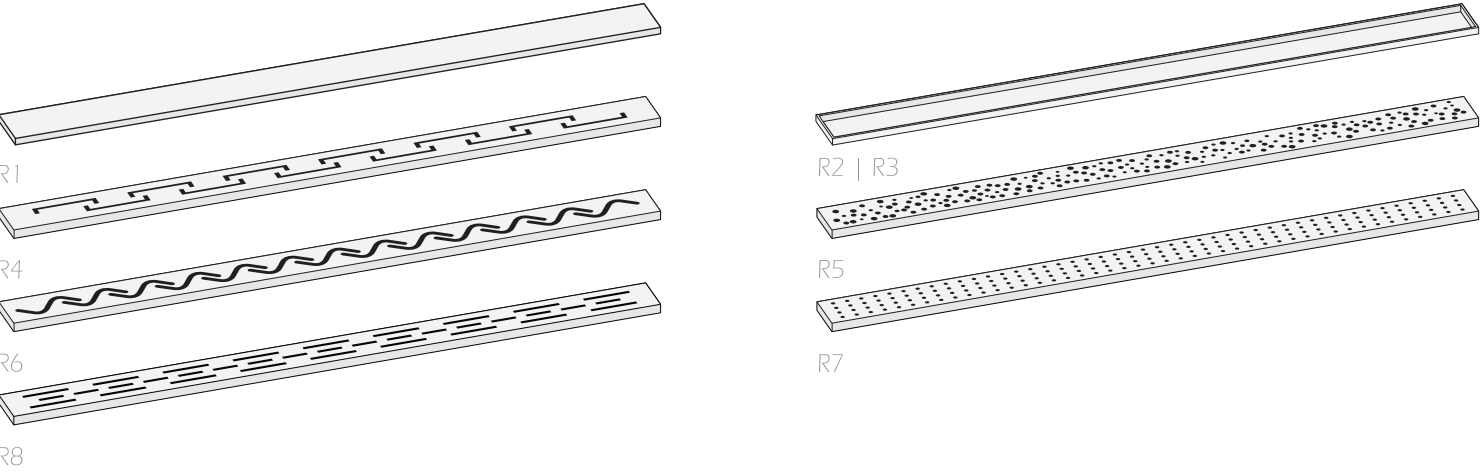

EN
These assembly instructions were created by ourselves. It is a construction recommendation. You must ask an expert who will verifiably confirm/accept your assembly and other details! We recommend assembly by a specialist, who will issue an invoice to you - so that you receive a guarantee on tightness, etc. Water damage or injuries are thus avoided - this is the only way to protect yourself. We are not liable for your construction, but we will be gladly available for any queries and further information

ES
Recomendaciones de montaje - a leer atentamente antes de la instalación. La instalación debe ser realizada por un profesional del sector de los sanitarios. Además, el profesional que intervendrá en la instalación deberá garantizarle una perfecta impermeabilización etc. De este modo se evitan lesiones o daños por agua. Si tiene alguna pregunta con respecto a las instrucciones de montaje, quedamos su disposición.

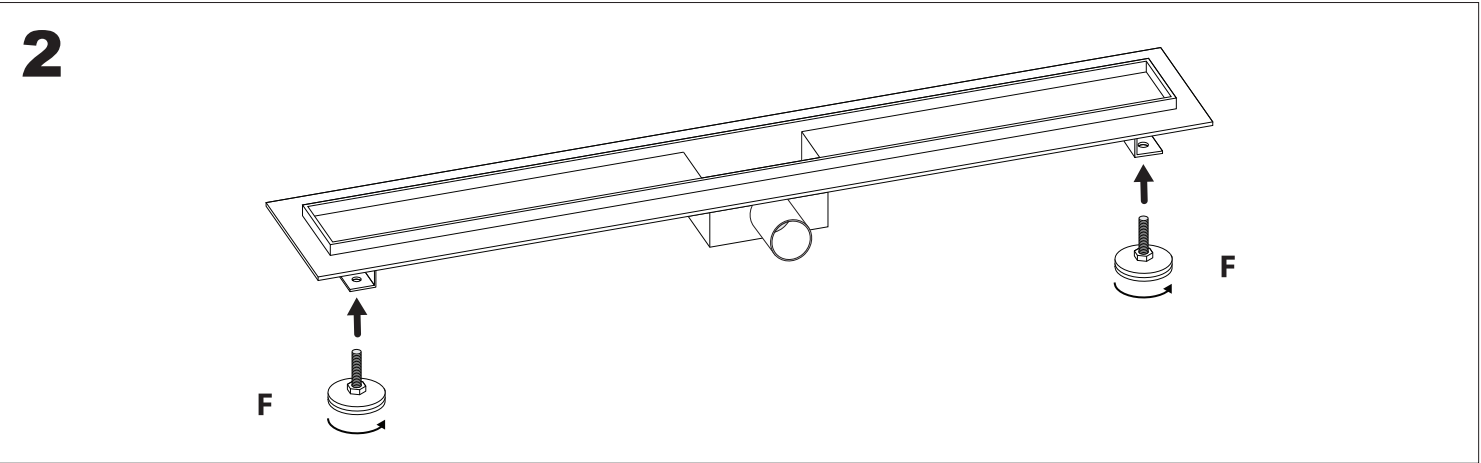

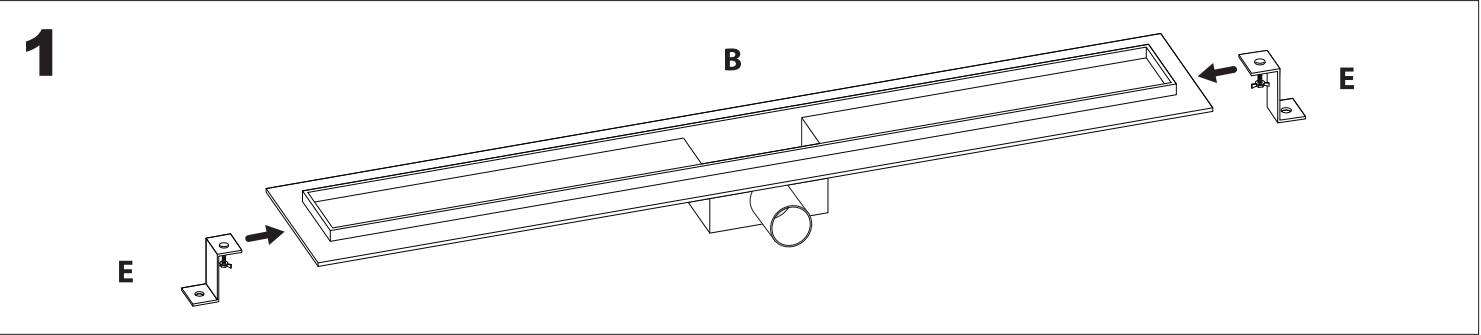

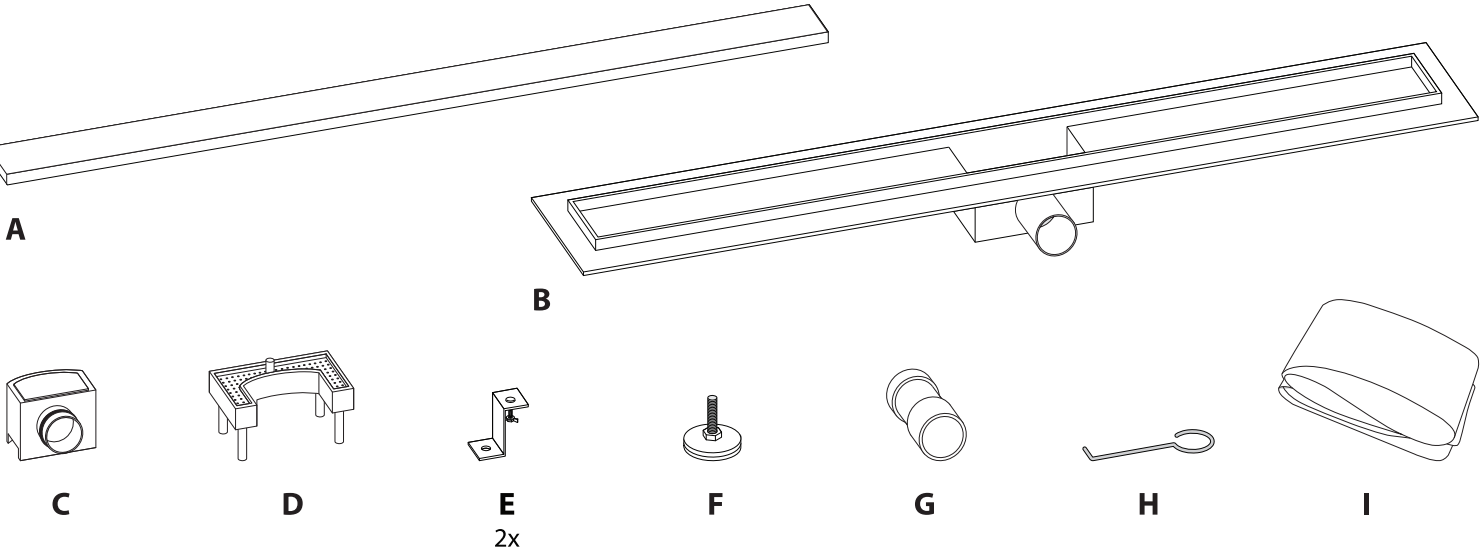

FR
Recommandations de montage - à lire obligatoirement avant installation. Notre société décline toute responsabilité et se réserve le droit de ne pas assurer sa garantie dans le cas où ce produit ne serait pas installé par du personnel qualifié. Par ailleurs, le professionnel qui intervendra devra également vous garantir sa parfaite étanchéité etc. Les dégâts d'eau ou tout risque de blessure sont ainsi évités. Si vous avez des questions relatives aux instructions de montage, nous restons à votre entière disposition.

IT
Queste istruzioni di montaggio sono state create da noi stessi. È una raccomandazione di costruzione. Devi chiedere ad un esperto che confermerà/accetterà in modo verificabile il tuo montaggio e altri dettagli! Consigliamo il montaggio da parte di uno specialista, che vi rilascerà una fattura, in modo da ricevere una garanzia sulla tenuta, ecc. In questo modo si evitano danni causati dall'acqua o lesioni: questo è l'unico modo per proteggersi. Non siamo responsabili della vostra costruzione, ma saremo volentieri a disposizione per qualsiasi domanda e ulteriore informazione.

PT
Recomendações de montagem - ler atentamente antes da instalação. A instalação deve ser efetuada por um profissional especializado na instalação de equipamento de sanitários. A nossa empresa declina toda e qualquer responsabilidade, reservando-se o direito de não assegurar a garantia, caso o artigo não seja instalado por pessoas qualificadas (sendo a fatura da instalação uma prova). O profissional que irá intervir na instalação deste artigo, terá que lhe garantir a perfeita impermeabilização. Deste modo, evitam-se danos causados pela água ou ferimentos. Se tiver alguma dúvida sobre as instruções de montagem, não hesite em nos contactar.
